

Parking at St Peter's Pebworth

- Pebworth is a quiet village with little through traffic, so parking outside the church by the west churchyard gate is quite safe. (This is where we usually park for Friday night practice....)
- There is also a small carpark with 8 spaces, which is accessible from Back Lane, as per the arrow.
- Finally, for very large groups, the village hall car park can be made available by special arrangement. (do let us know in advance!). It is about 5 minutes walk down the hill.
- N.B. The church has no toilet facilities, so if required, let us know in advance and will try and make arrangements with the village hall.
